## Valor® EZ Herbicide: Proven Performance, in an Easy-to-Use Liquid

Valor® EZ Herbicide is a liquid formulation herbicide that provides proven preemergence weed control in early preplant burndown and preemergence programs.

- ▶ **Easy Mixing and Loading:** The liquid formulation of *Valor* EZ stays in suspension and offers easy mixing with other burndown and preemergence herbicides
- ▶ **Proven Control of Tough Weeds:** *Valor* EZ offers proven performance on a broad spectrum of tough weeds, like Palmer amaranth, waterhemp and more
- ▶ **Residual Protection:** *Valor* EZ provides up to 6 weeks of residual weed control, so growers can plan a timely postemergence herbicide application

### Valor EZ Extends Control of Tough Weeds with a Strong Residual

### How To Use

<b>Rate</b>	<b>Cotton:</b> 1.5–3 fl oz/A; <b>Peanuts:</b> 3 fl oz/A; <b>Soybeans:</b> 2–3 fl oz/A	
<b>Timing</b>	<b>Cotton:</b> 30 days prior to planting for conventional tillage; 21 days prior to planting reduced/no-till <b>Cotton Layby:</b> 16 inches tall; direct spray to lower 2 inches of cotton stem	<b>Peanuts:</b> Up to 2 days after planting <b>Soybeans:</b> Up to 3 days after planting
<b>Method</b>	<b>Cotton:</b> Ground or air <b>Cotton Layby:</b> Ground	<b>Peanuts:</b> Ground <b>Soybeans:</b> Ground or air
<b>Spray Volume</b>	<b>Ground:</b> Minimum 10 GPA for conventional tillage; minimum 15 GPA for reduced/no-till	<b>Air:</b> Minimum 5 GPA for conventional tillage; minimum 7 GPA for reduced/no-till

## Valor Controls Tough Weeds: Palmer Amaranth and Waterhemp

## Easy Mixing with the Liquid Formulation of Valor EZ

Elapsed time: 15 minutes  
(products suspended in water)

### Benefits of the liquid formulation:

- ▶ **Consistent application:** Liquid formulation ensures even distribution of product in the spray system
- ▶ **Easy mixing and loading:** Better suspension in liquid formulation, fewer jugs to handle

### Other Important Information

- ▶ Minimal rotation restrictions to all other major row crops in a growing season
- ▶ REI: 12 hours
